Pockets™

**Independence
at Your
Fingertips!®**

Here are just
some of the
many uses for
Handi Pockets!

Independence at Your Fingertips[®]

Visit www.HandiPockets.com for our most up-to-date styles

Handi Pockets[™]

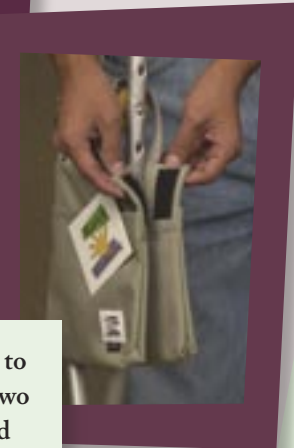

Created to offer independence for those who must use crutches, a walker or a wheelchair, the product truly sells itself. **Handi Pockets** are designed for easy access and are much more convenient than a backpack or fanny pack. For extra protection and privacy, security flaps are available on any style.

Crutches

Handi Pockets for Crutches

Designed to fit over the handgrip of a crutch, the saddlebag style pockets are especially convenient.

Both sides of the dual pocket can be used.

Handi Pockets are easy to attach. Simply place the two nylon straps over the hand grip and fasten the sides with the Velcro[®] tabs.

Walkers

Handi Pockets for Walkers

Handi Pockets give walker users the advantage of increased flexibility. Great for the caregiver too!

Handi Pockets for walkers are easy to attach. Three nylon straps fasten easily over the top brace of the walker, and two Velcro[®] tabs at the bottom secure the front and back.

Fits all types of walkers—you can even fold your walker without removing your **Handi Pockets**.

There's a Great Market for Handi Pockets[™]!

When you offer **Handi Pockets**, your customers will know you understand their needs. For those who use crutches, walkers or wheelchairs, the product is convenient, easy to use and reasonably priced. Inclement weather conditions are not a problem. **Handi Pockets** are mildew and mold resistant and if they get dirty, they can be hand or machine washed.

For more information on how you can carry **Handi Pockets**, give us a call or visit our website!

Handi Pockets wheelchair pockets are made of durable cordura and are available in royal blue, black, and several tapestry patterns.

Wheelchairs

Handi Pockets for Wheelchairs

The wheelchair pocket attaches with Velcro[®] tabs on two nylon straps to the handles behind the seat and at a safe distance from the wheels.

Wheelchair pockets are available in two styles: one full width pocket or two side by side.

You can purchase your **Handi Pockets** with the optional security flap to conceal valuables. A handy zipper feature is also available.

Our Mission Statement

To provide our customers with safe, quality products which will aid in maintaining their independence.

Words from Happy Customers!

“...provides me a great deal of independence.”

Tom, age 45, mortgage broker

“...allows me to do things without always asking for help.”

John, age 35, business owner
